

## Lesson **Design a Smart Veggie Garden** for 5-6th

### **Smart Veggie Garden Ad for Facebook**

Create a **poster ad or short video** to promote your Smart Veggie Garden on social media!

#### **What to Do**

1. **Name your garden** and write a **catchy tagline**.
2. Show **3 main features** of your smart veggie garden.
3. Explain **how it works** and keep your veggies healthy and safe.
4. Add a **2D sketch or 3D design** of your garden to show customers.
5. Highlight **benefits**: saves time, keeps plants healthy, fun for kids.

**Upload:** Poster, Canva image, or short video (15–30 sec)

**Make it colorful, fun, and exciting — show your Smart Veggie Garden in action!**
